Reunion Weekend Costs

Putting on a weekend of events for hundreds of alumni and guests is an enormous and expensive undertaking, particularly after a two-year pause due to the pandemic. Although prices have increased this year for various components of the weekend, we made the decision to not raise any Reunion Weekend fees. The individual event prices help to offset the costs for food, beverages, entertainment, etc. We strive to keep the fees low so as many people as possible can enjoy their Reunion Weekend of fun, renewed friendships, and celebration of the University of Richmond experience.

Registration is Important

In order to attend reunion activities, you must complete a registration form and return it to Alumni and Career Services no later than **Friday, May 20!** Caterers, transportation services, and others require head counts. If you do not preregister, there is a chance there will not be room for you at the events you wish to attend.

Reunion Weekend Photography and Videography

Videos and photographs taken during Reunion Weekend will be used in University publications and on the website. If you do not wish to be included in videos or photographs, please alert the photographer and/or videographer.
