Homecoming 2018 is right around the corner! Join us back on campus November 2-4 for a weekend to remember. We'll kick things off with a Party Under the Lights at the Greek Theatre on Friday night with a live band, fall foods, beer, wine and much more, all illuminated by a web of lights strung above the Greek Theatre! On Saturday, we will be tailgating the day away, followed by cheering on the Spiders as they take on Villanova. We hope to see you back on campus soon. Go Spiders!

Letters from the Heart

This summer we completed our fourth annual Letter Writing Campaign! Our regional alumni volunteers and alumni ambassadors write letters to incoming freshmen from their respective hometowns or states, post cards to sophomores and juniors, and our young grad volunteers write letters to seniors.

Alumni offer words of wisdom and support as our students prepare to take on the new and exciting challenges that they will experience in the year ahead.

The letters embrace the concept of Once a Spider, Always a Spider, and it gives us all the feels!

Spiders in Florida

Despite the many miles between the Sunshine State and our beautiful University of Richmond campus, your state is full of Spider alumni. In fact, there are 1,670 of you!

We even have email addresses for 960 of you (yes, you’re one of them!). If you know a Spider who is new to Florida, feel free to encourage them to update their information through UR Online.

An updated UR Online profile will also ensure invitations to local alumni gatherings and access to the alumni directory!
